**Re: Docket #99-P-461 3**

**Dear Mr. Jaffe:**

**I have read the information regarding the genetically engineered growth hormone Prosilac, which is also known as RBGH or RBST. I am appalled that the FDA would allow the use of this hormone in our nation's food supply.**

**It is my understanding that a meeting is taking place on Friday 11/19/99 to discuss this hormone. I am writing to make my voice heard and request that the FDA revoke the approval of this poisonous hormone and have it taken off the market.**

**I trust that you will do the right thing.**

**Sincerely,**
